

FIXTURE SPECIFICATIONS

INTENDED USE

The specification grade Alcon Lighting Aqua Architectural LED Step Light Fixture delivers ambient and practical lighting to walls, stairs, stairwells, and decks in interior and exterior applications. The low voltage Aqua LED or Fluorescent Step Light improves visibility and adds an inviting glow to your residential or commercial space. Step lights can be used to enhance your landscape, amplify your deck lighting when entertaining, for commercial exterior lighting, or simply to feel more secure knowing your staircase is brightly lit.
