GENERAL SPECIFICATION

Recessed housing: Steel and aluminum suitable for new or existing non insulated construction, drywall or plasterboard ceilings. Luminaires are mounted by cable suspension within the ceiling cavity. Anchoring of cables to load bearing ceiling structure (by others).

Centre disc: For non illuminating center version, drywall disc to be supplied and installed by others. Drywall disc to be painted to match ceiling.

Versions: Recessed luminaires available in three diameters: 685mm/27", 1092mm/43" and 1495mm/59".

Diffusers: Single piece opal acrylic, retained by metal rings and white painted screws.

Drivers: Luminaires supplied with HPF electronic drivers, 120/277V. 0-10V dimming standard for white LEDs.

RGB control: Luminaires require a DMX controller by others.

Electrical: Through branch wiring. J box and driver housing easily accessible.

Finish: White powder coated.

Approvals: ETL.
