

**Fortis**  
sconce

Dimensions - 7 1/4" x 12 3/8" x 3 3/4"

Walnut, brass, artisan glass

Product weight - 10 lbs

Energy efficient LED light source

Light output - 390 lumens

Light color - 2700° K

Color Accuracy - 85 CRI

Power usage - 6W

Dimmable (use ELV or Triac dimmer)

Wood grain will vary

Bubbles in glass will vary from piece to piece

MATERIAL & FINISH OPTIONS

Fortis part #: 03-170 -

Metal finish:  
brushed brass  
distressed brass  
oiled bronze  
brushed aluminum

Wood body:  
oiled walnut  
dark stained walnut

*The Fortis wall sconce is a great example of the collaborative design process. The initial concept from the New York based Desiron was refined over many iterations, and we then worked with the local Southern California Artisan glass company, Siemon & Salazar, to achieve a very specific bubbled glass lens that diffuses the light. It is a strong and sophisticated display of three elements: a piece of metal, a piece of wood, and a piece of glass all beautifully showcased in light.*
