

# Architectural LED Lighting

## Outdoor Lighting Luminaire

**ROC LIGHTING** Introduces our Architectural LED Outdoor Luminaires. Built with an integrated LED module, and designed with superior thermal management, makes these fixtures super-efficient, low maintenance and very reliable. Machined from military grade solid aluminum, ROC fixtures are designed to withstand the harshest environments, and provide a long lasting durable light source.

### FL-430 LED SERIES

Architectural LED adjustable accent light. Great source of light in uplight or downlight applications. 50,000 hours rated life, low maintenance and a life rating more than 10 times the standard halogen fixtures makes these fixtures a great replacement for inefficient halogen lighting fixtures. Rated for wet location.

Built to last,  
Built like a **ROC**
