SEED LIGHTING DESIGN CO., LTD.

MUMU 目木

Designer Dian has been mastering the artistry of woodworking for years. He's always had an appreciation towards the organic nature the material exhibits. In the MUMU pendant, he utilizes the coolness of metal married with an LED light source, and counter-balances this with the warmth of the wood on both ends of the pendant. The MUMU is available in two versions: Matt White with Beech and Matt Black with Walnut.
