

All LED Diecast Aluminum Exit Combo Specification

All LED Diecast Alum. Combo

120 or 277 Voltage, Damp Location

Features and Benefits:

Features

- Very first die-cast combo on the market; unique new design provides spec-grade die-cast Exit sign with LED emergency lights in low-profiles housing.
- Energy efficient LED technology

Illumination

- Ultra-bright, energy efficient, long -lasting Red or Green LEDs.
- Ultra-bright white LED lamps in emergency lighting heads.

Electrical

- Dual 120V/277V.
- LVD (low voltage disconnect) prevents battery from deep discharge.
- Long-life, maintenance-free, rechargeable NiCd battery (EM model).
- Internal solid-state transfer switch automatically connects the internal battery to LEDs and LED lamp heads for minimum 90-minute emergency illumination.
- Fully automatic solid-state, two-rate charger initiates battery charging to recharge a discharged battery in 24 hours.

Mounting

- Die-cast aluminum housing and faceplate
- Die-cast mounting canopy included (provides top, end or back mount convenience).
- Universal wall mounting K/O pattern.

Housing

- Premium-grade, extruded aluminum housing (also available in black or white powder coated).
- Spec-grade curved faceplate.
- Easily removable chevron directional indicators.
- Unique design allows double face conversion in the field.
- Quick-snap face plate closure.

Options

- Diecast EXIT panels available to order separately (contact customer service).

Warranty/Listing

- Five year warranty on all electronics and housing. Batteries pro-rated for five years.
- UL listed for damp locations.
- Meets UL924, NFPA 101 Life Safety Code, NEC, OSHA, Local and State Codes.
