FIXTURE SPECIFICATIONS

INTENDED USE

Gain architectural-grade linear lighting for commercial, hospitality and residential garages. This 4-foot or 8-foot ceiling light provides versatile, powerful illumination for today's office, warehouse, conference room, garages, and stairwells. Our integrated LED linear lighting comes in 22-gauge, cold-rolled steel in baked white enamel with a clear, acrylic lens to reduce glare. Voltage is 120 to 277. This product is manufactured in Fort Worth, TX., USA.
