

FIXTURE SPECIFICATIONS

INTENDED USE

Use our multiple-armed, architectural-grade LED aircraft cable or pendant lighting product to provide exquisite quality, durability and variable suspended illumination. Achieve consistency and clarity in commercial, hospitality and residential interior light with the diecast aluminum metal product, which extrudes with solid steel junction construction and filters through our frosted, glare-free, snap-in lens. Perfect for intelligent office lighting applications and conference rooms.

FEATURES

Construction: Die-cast extruded aluminum body

Junction: Steel

Aircraft Cable Length: 144"

Lens: Glare free snap-in frosted lens

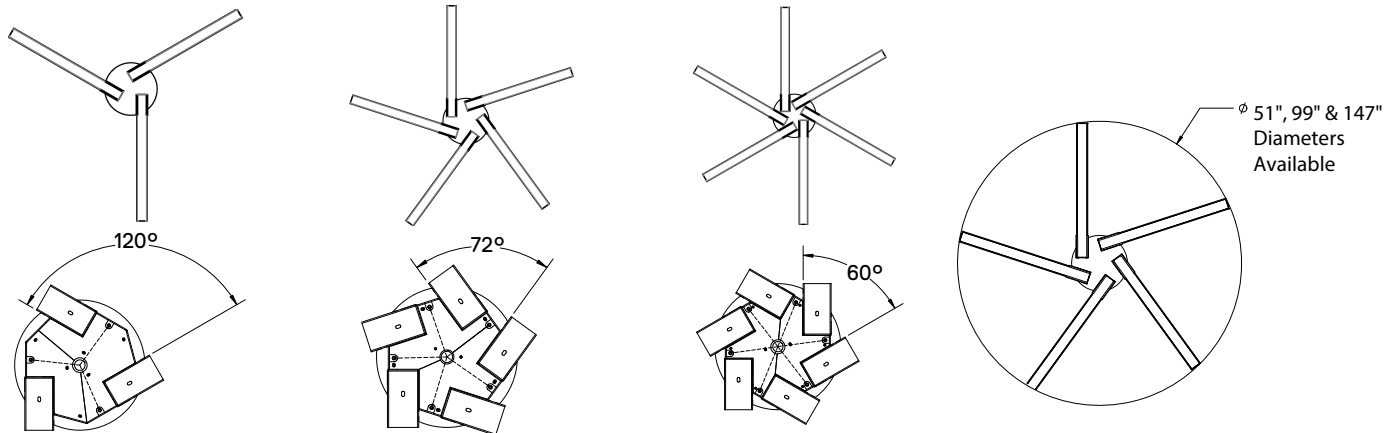

Driver: 0-10V Dimming

Voltage: 120-277V 50/60 Hz

Power Factor: >0.90

Warranty: 5 years carefree for parts & components (labor not included)

Listings: Made in the USA
