FIXTURE SPECIFICATIONS

INTENDED USE

The commercial-grade, 4-inch wide lens opening, linear surface ceiling light delivers continuous lines and clear, powerful, high-CRI LED light to commercial and residential interior lighting. Our modern 120-277V, slim profile and contemporary design provides up to 8,400 lumens per 8-foot run. The exceptional performance and versatility are ideal for offices, classrooms, conference rooms, museums, retail outlets and hospitality interiors. This linear ceiling light comes in standard lengths of 2-feet, 4-feet and 8-feet and can be connected for continuous runs of any length.
