### INTENDED USE

The 13000-TC One or Two Circuit Track Channel allows effortless positioning of light fixtures without tools and is compatible with most H-Type Track Lighting Heads. Ideal for applications requiring versatile, adjustable lighting, it is commonly used in commercial spaces such as art galleries, retail stores, and museums, as well as in residential settings to highlight artwork, kitchen countertops, or display shelves. Its track system enables precise light direction with adjustable heads.

### FEATURES

- Construction:** Extruded Aluminum Track with 20-Amp Rated Flat, Solid Copper Conductors
- Application:** Provides for Mounting and Power to Adjustable Track Heads
- Electrical:** Each Circuit is rated for 2400 Watts
- Voltage:** 120V
- Lengths:** Any product length over 4' will include smaller units with seamless connectors
- Listings:** UL Listed, cETL Listed, Dry Location Only
