Alcon Lighting 2102 0-10V Decora Style LED Wall dimmer switch

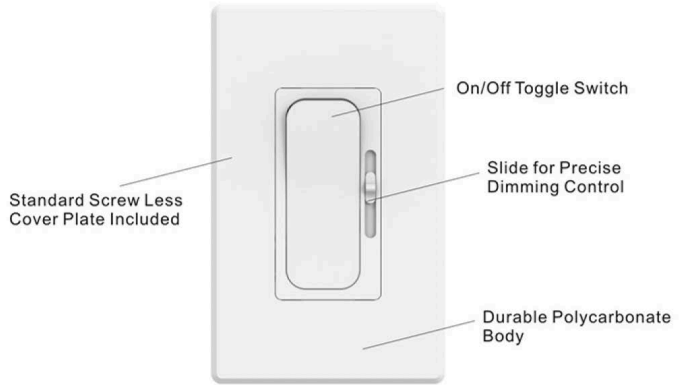

INTENDED USE

Our 2102 0-10Volt dimmer switch is a simple solution designed to match existing decora-style switches and accessories. This dimmer switch is a 0-10Volt AC Dimmer to control 0-10Volt LED and Fluorescent fixtures in single-pole or 3-way applications. Easily turn the lights on and off with the large paddle switch and use the slide control to adjust the lights to the perfect level. No separate power pack required.
